**To: Potential "SVX" Snow Vehicle Racers**

**From: Arctic Cat / Team Arctic Race Department**

**Re: 2017 Race Support Program Application**

---

Team,

Interest in the snow bike segment increases every day. Over the last few weeks alone the sport has witnessed big developments with the announcement of snow bike racing being a part of this year's Winter X Games in Aspen, Colorado. Plus several regional events and series have also been named including ISOC, RMSHA, East Coast SnoCross and the 5 race Flashpoint Series.

The Arctic Cat Engineering group is working diligently through final testing phases for the industry's first purpose-built snow bike, the SVX 450. As the company works through this product initiative, it doesn't want to miss on any opportunities that may exist for our Race Team members. We are constantly looking for ways to improve our competitiveness in the market and on the racetrack, and are committed to nothing short of success and total dominance!

As such, we want to gauge the interest you or your race team may have in regards to purchasing and racing our new SVX 450 as a closed course competition vehicle for this winter race season. This is an evaluation stage at this point, but look forward to your inquiries and questions.

If you are interested in discussing opportunities that may exist, please complete and return the attached inquiry form and application.

**Details:**

1. Applications must be completed in a professional manner; a resume with photos will be appreciated. These photos will not be returned.
2. You can return your info either email or regular mail

A.) Dawn Haugen – Race Dept. Assistant 218-681-9882 [dhaugen@arcticcat.com](mailto:dhaugen@arcticcat.com)
